

## Cycle routes from Kingham Station

# Cycle Route 7: Bourton, Bulls & Beer

An interesting day ride visiting the Cotswold Farm Park via Bourton-on-the Water, the Venice of the Cotswolds. There are plenty of pubs and features on route including the Donnington Brewery. Mostly quiet lanes but some hills.

**Grade:** Medium

**Time:** 5-6 hours

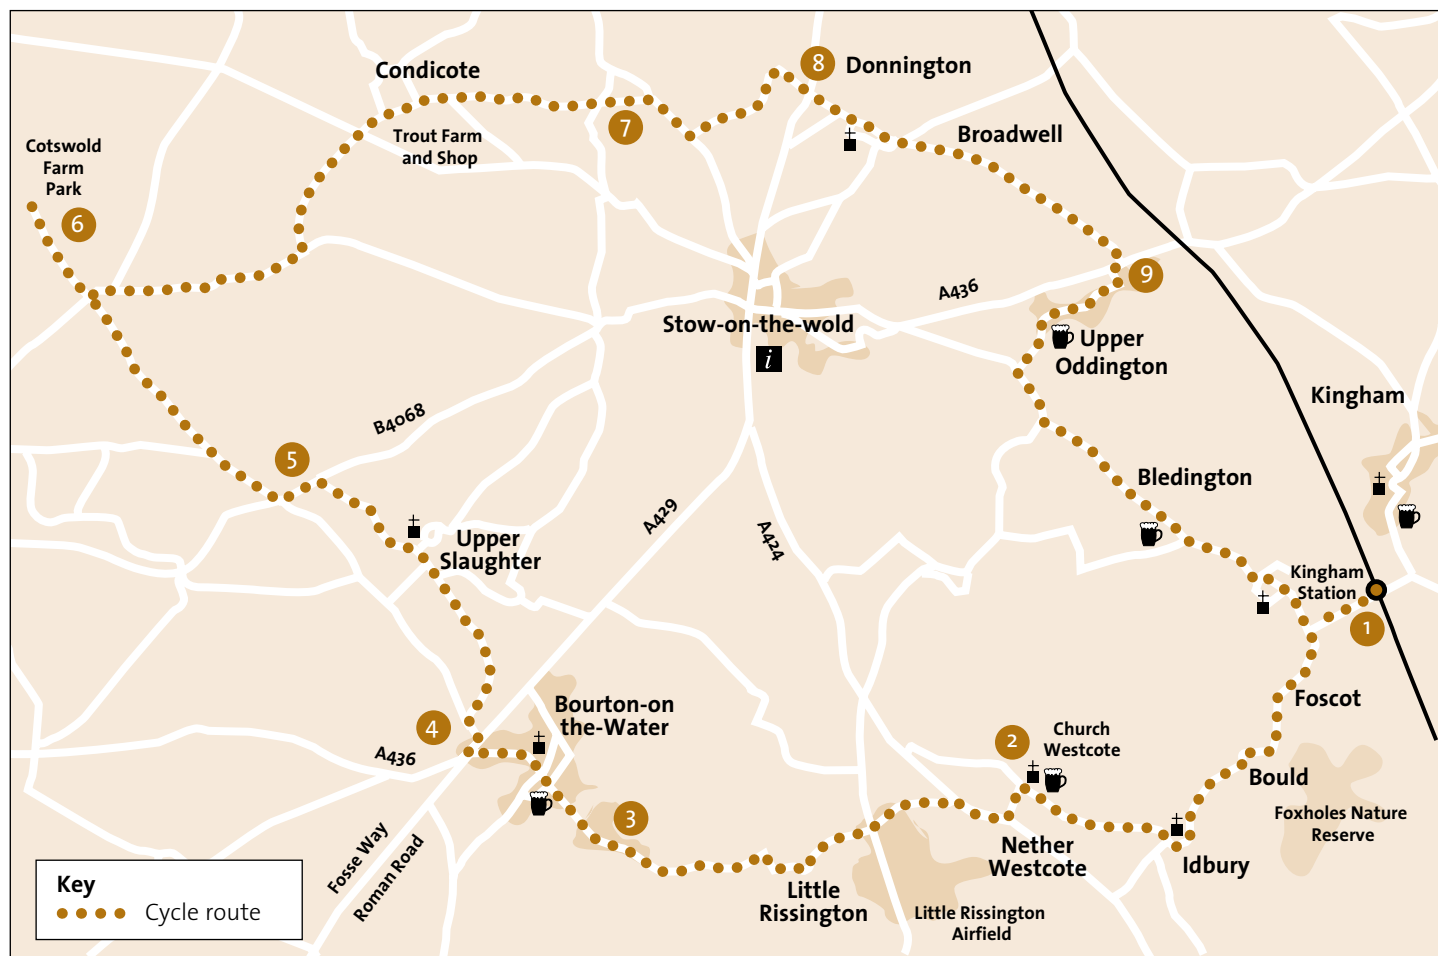

**Distance:** 42km/26 miles

**Stops/pubs:** Pubs in Nether Westcote, Bourton-on-the-Water, Broadwell, Oddington and Bledington. Shops, cafes and toilets at the Cotswold Farm Park

**Attractions:** Museums and attractions at Bourton-on-the-Water. Churches and villages. Rare breeds of farm animals at Cotswold Farm Park. Trout farm and shop near Condicote

### Highlights

- Cotswold Farm Park is the home of rare breed conservation, this farm park contains a comprehensive collection of over 50 breeding flocks and herds of British rare breed farm animals. The park was established by Joe Henson and his business partner John Neave, in the late 1960's when many of their traditional breeds were faced with imminent extinction. Besides being a vital shop window for the work of rare breed conservation, it is an important breeding centre for many of the animals they keep.

- 9 Turn right at T-junction, signed Upper Oddington, pass through village and then turn left at T-junction onto B4450, signed Bledington, follow the road for 3 miles to Kingham Station.

### Bourton-on-the Water

Probably the most popular village in the Cotswolds, and often referred to as the Venice of the Cotswolds because the River Windrush runs right through the centre, Bourton on Water has a happy combination of this clear sparkling water and the attractive low bridges crossing it creates a charming scene. The Model Village is a mini replica of the village itself, Birdland Park and Gardens offer woodland, river and gardens inhabited by over 500 birds. Cotswold Motor Museum takes you on a journey right through 20th Century automobiles and the Cotswold Perfumery is a sensory experience with a difference!

### The Cotswolds National Landscape

This route takes you through part of the Area of Outstanding Natural Beauty. The Cotswolds was designated an Area of Outstanding Natural Beauty (AONB) in 1966 in recognition of its rich, diverse and high quality landscape. It is the largest of 38 AONBs in England and Wales, covering 790 sq miles, stretching from the City of Bath and Wiltshire in the south through Gloucestershire and Oxfordshire to Warwickshire and Worcestershire in the north.
