Please note:

This report was originally published by the Cotswolds Area of Outstanding Natural Beauty (AONB) Partnership in 2004.

In December 2004 the Cotswolds Conservation Board was established, superseding the Partnership.

The report was originally published by the Board in May 2005. However, text within the report has been retained as 'Partnership'.

It is the duty of the Conservation Board to pursue two purposes:

- to conserve and enhance the natural beauty of the AONB
- to increase the understanding and enjoyment of the special qualities of the AONB.

In fulfilling these roles, the Board seeks to foster the economic and social well-being of people living in the AONB.
